KEY WORDS FOR MATH

Add	**Subtract**	**Multiply**	**Divide**
Sum	Difference	Product	Quotient
Total	Remaining	Total	Apiece
Perimeter	How many left	Area	Equal sets/groups
Altogether	Change	Factors	Each
In all	More	"of" means "times"	Sets
How many	"**er**" words	Join equal sets	Per
Increased by	Small**er,** Larg**er**	Multiplied by	Out of
Added to	Long**er,** Short**er**	Twice	Divided by
More than	Greater than	Doubled	Times more
And	Take away	Thrice	Dividend
Positive	Subtracted from	Per	Divisor
Improved	Minus	Times as much	Split into
Gained	Penalized	Combined	
Plus	Decreased by	Volume	
Combined	Improved	Squared	
	Less	Cubed	
	Less than	By	
	Fewer *than*		
	Subtracted *from*		
	Than and From =		
	flip the order
