

Winging It

Turn your graph paper. Write the horizontal numbers on the longer side. Number your graph paper: Horizontal 0 to 39. Vertical 0 to 18. Complete a picture by connecting the points below in the order given. The first number listed is always found on the horizontal axis and the second is always the vertical axis. Place a dot at each intersection given and connect the dots as you locate each coordinate.

(2, 16)	(23, 7)	(10, 4)	(14, 12)	STOP	(22, 10)	(20, 6)
